DEDICATION

MISS MIRIAM MILLER

This book is fondly dedicated to Miss Miriam Miller, history teacher and senior adviser since 1921. Supporting her seniors in any dispute, her ready wit and magnetic personality made her a legend to underclassmen. Room 215 for 26 years housed the favorite class for many a senior as Miss Miller led us all through the channels of American history. This ardent Republican attended Lake Erie Woman's College for three years and graduated from Wooster College in 1921. Students feel a loss since pert Miss Miller retired from teaching in the spring of 1947 because of illness. For all these reasons and many more, we dedicate this 1948 Cuyahogan to our favorite teacher, Miss Miriam Miller, forever amusing, sincere, and helpful.

OPPORTUNITIES

The old saying that "opportunity knocks but once" might have been true in Grandfather's time, but not in this present age. Opportunities present themselves at all times, and we as future citizens should utilize them. Bacon once said, "The wise man will make more opportunities than he finds." This certainly should apply to us as students.

Opportunities come to us through education as well as through business or life. If there were a law forbidding further education, we would soon realize that thereby we had lost many opportunities. You may say to yourself, "Oh, I'll wait till I get to college to use my opportunities," but that is too late. You have already set a standard that determines your character, and people use that in judging you as a worker or a student. Our own high school affords us many of the subjects that will help us in choosing a career. Whether it be a scientific, mathematical, commercial, social, musical, teaching, or an active career, we will profit by the various subjects and clubs in the school.

The sun rises at the same time for everyone, giving every individual an equal opportunity to do something worthwhile. No one can find your opportunities for you. You must find them yourself and put them to good use. If everyone would use all the opportunities he or she has, this world would be a better and safer place in which to live.

This organization is one of the main links between the student body and the faculty and is the guiding spirit of the school. With Mrs. Elizabeth Ellis as its sponsor, this group strives to create better understanding and cooperation between the student body and the faculty, to promote worth while activities, and to increase school spirit.

The members of the council are elected by their fellow classmates on a representative basis of one representative to fifty students and to belong to this group is one of the greatest honors to be attained.

During this school year the Student Council plans to present to the school a plaque bearing the names of Cuyahoga Falls High School boys and girls who served in the armed forces during the war. The council has also voted to join the National Association of Student Councils. The group helped to promote the Fun Versus Vandalism Campaign along with the football squad and put on various assemblies for the student body.

The guiding officers for the year are as follows: **First Semester** 1947-1948—President, James Bales; Vice President, Don Leonard; Secretary, Phyllis Peebles; Treasurer, Robert Powell. **Second Semester**—President, James Hillegas; Vice President, Phyllis Peebles; Secretary, Betty Jane Cross; Treasurer, John Buettner.

The motto "I will try to face life squarely and to find and give the best" symbolized the purpose of the Y-Teen Club. This organization, a junior division of the Young Women's Christian Association, is open to any young girl, regardless of race, color, or creed, who believes in its purpose.

In Cuyahoga Falls High School there are two Y-Teen Clubs, the junior club for girls from 9-B to 10-B and the senior club for older girls. Miss Erf, the clubs' adviser, works along with the girls to help them plan their many activities. This year several combined meetings were held with Hi-Y, a plan never before tried. At these meetings movies were shown on various subjects of interest to high school people, such as shyness and etiquette. After the movies the audience participated in discussions led by several Hi-Y and Y-Teen members. Other activities of the clubs were a Hi-Y - Y-Teen Christmas party and Christmas and Easter devotional services held at one of the churches. In the spring a big Mardi Gras was the main project.

CUYAHOGA FALLS HI-Y

The Hi-Y is an international organization, affiliated with the Y. M. C. A. The purpose of this organization is to create, maintain, and extend throughout the school and community, high standards of christian character. The four planks of its platform are Clean Speech, Clean Living, Clean Scholarship, and Clean Sportsmanship.

During the past year, the Hi-Y in conjunction with Y-Teen has conducted morning services at Thanksgiving, Christmas, and Easter time. Also with the Y-Teen they have sponsored dances, including two formals. The Hi-Y raised money by selling programs at the football games, and has helped out by passing out schedule cards.

The new members are instructed by the officers and are required to commit by memory the First and Twenty-third Psalms, the Lord's Prayer and the Ten Commandments.

The Hi-Y has become so large that it has been divided into two chapters, the Alpha, sponsored by Mr. Saurer, and the Delta chapter, sponsored by Mr. Mosteller.

This club sponsored by Miss Josephine Long brings together a group of girls who wish to learn and put into constant practice those qualities necessary for true and beautiful womanhood. The membership, limited to fifty girls, is open to girls in 10-A to 12-A who must have sincere interest in scholarship, self-reliance, dependability, sympathetic kindliness, personal attractiveness, social dignity, honesty, high moral standards, true temperance and genuine interest in spiritual growth.

Among the many activities done for the school and community were the preparation of a Thanksgiving basket for a needy family and the making of toys for poor children at Christmas. The school activities managers decided to allow the Godey girls to sell food in the stands at football games this fall. This had never been tried before and turned out quite well, also giving the Godey Club a small profit for their treasury. Every year the club members present a gift to the club. This year, they had the woodworking class make them a beautiful candelabra for the semester project.

CHEERLEADERS

"C'mon now! Let's Yell it!" If you've ever been to a football or basket ball game—and what loyal, red blooded Falls Hi student hasn't—you'll recognize the beginning speech of the cheerleaders, about to lead a traditional yell. They're the girls that help us to get behind our teams and cheer them to victory. Guided by their sponsor Miss Maurine Motsenbocker they do a swell job.

"Did you finish the headlines? Who's plotting page four? What happened to Phyl's editorial?"

"Now girls, you've got to stop this jabbering. This has to get to the printer's today!"

It might seem to the monitors that Tiger Tales staff just runs around the halls on assignments. Actually it takes initiative, imagination, and hard work to put out a paper.

"You write an editorial, and you, Ardie, write a feature." Thus the assignments are made. One doesn't pull an editorial or feature out of the air. Instead, he must create a subject, and then write it in an imaginative style.

Worrying with the staff about bills, advertisers, and deadlines, is Miss Louise Flickinger, the adviser.

"I've begged and pleaded with these companies, and they still refuse to print, bind, and cover our annuals for nothing. Can't someone think of a 'get rich quick scheme'?" A statement something like this from the business manager usually opens the Cuyahogan staff meetings. Following his report, the copy editor implores the staff, "The art editors are eager to get started, but their hands are tied until this copy is in."

So, with urgent voices, each editor-in-chief reports and the meeting is concluded. Finally, after all the wrangling, the copy and pictures are in, and the book is plotted and sent away.

The Future Teachers of America is a comparatively new organization promoted by the National Education Association.

SENIOR PLAY

"I've got a date with Judy, a great big date with Judy, oh jeepers and gee . . . " Huge audiences had "A Date With Judy" Nov. 6-7, 1947.

Getting herself, her family, and friends entangled in her "weird schemes" Judy Foster tried to raise money to beat her "least favorite person in all this world" to be queen of a Community Relief Ball.

To an audience, seeing only the finished production, acting seems easy. They think all one has to do is walk on the stage, mumble a few lines and walk off. To portray a character as he would appear in real life takes hours of study and practice. Because of the acoustics in our auditorium, a speaker must be drilled to speak distinctly, slowly, and to project his voice. To the dramatics class, putting on a play is hard work, but rewarding in its personal satisfaction.

The characters in the play were as follows: Mr. Foster, Richard Secrest; Mrs. Foster, Marilyn Patterson; Judy Foster, Dorothy Mathis; Randolph, James Liles; Mitzi Hoffman, Ardis Burroughs; Barbara Winsockett, Carolyn Cochran; Hannah, Jo Ann Brunner; Mrs. Slutzhammer, Joanne Eberly; Rex O'Connor, Newton Baker; Mrs. Hotchkiss, Gaynelle Mills; Eloise Hotchkiss, Jeannette Brees; Susie O'Connor, Dorothy Reagle; Mr. Martindale, Sam Round.

Student directors were Betty Naugle and Rose Laconi.

Mrs. Kathryn Wyre, assisted by Mr. Elmer Reighard, directed the play.

Other activities are singing for each Baccalaureate service, Hi-Y inductions, Christmas and Easter services, and the annual spring music festivals. These girls sing a cappella the greater part of the time but occasionally they sing with accompaniment. It takes a part in the annual Spring Festival.

MINSTREL SHOW

"How do you do, Master Sorghum, how do you do? Is there anything that we can do for you?" In this manner the A Cappella Choir greeted the end men in the minstrel show held during the first semester. Minstrels were Master Sorghum, James Taylor; Mr. Tambo, Eddie Beam; Mr. Rufus, Jack Hibbard; Mr. Mose, Dean Haney; Sunshine Jones, Phyllis Stroup; and Mirandy Brown, Carol Jean George. Minstrel Interlocuter, very handsome in his tails, was James Bales.

Besides the jokes of the end men, the choir sang, "Dry Bones," "My Bonnie Lies Over The Ocean," "Wyoming," and "It's Time To Say Goodnight."

Sleepy Mr. Mose managed to stay awake long enough to sing "Sleepy Hollow Tune" while Sunshine hummed the obligato. Mr. Rufus crooned "Can't Yo' Hear Me Callin', Caroline?"

The Harmonizers (James Bales, James Taylor, Eddie Beam, and Jack Hibbard), charmed the audience with "Down South" and "Hangin' Out De Clo'es."

In the spring the Band put on two concerts, one in the Auditorium and one in the Stadium and entered the Band Contest at Kent State University.

The Band was led by the drum major, Jack Olhoeft, and the majorettes, Barbara Zents, Dottie Mathis, Lois Gatts, and Jane Shook. The officers of the Band are as follows: President, Jack Olhoeft; Vice President, Jane Shook; and Secretary-Treasurer, Norman Gamble.

Second Row: Sanford Elton, Sally Tomlison, Fred Weaver, Robert Heyburn, Janet Shaw.

The last team to show in the black and gold for C. F. H. S. under the coaching of Carl Spessard had a successful season although they had a majority of inexperienced players.

The Tigers while only playing 500 ball were able to bring to C. F. H. S. the Western Reserve league banner in the last season of its operation.

The Tigers showed a lot of fight and spirit. Some of the highlights of the season were the election of Charles Cooley as honorary captain and the receiving of his third varsity letter by Bob Berdyck.

The Freshman football team at C. F. H. S. made a creditable showing this season by winning 4, losing 2.

The team showed that there are a lot of boys who bear watching in the future and definitely will give C. F. H. S. something to cheer for in future years.

The coaching was in the hands of James Loughridge and Clarence Hinkle with assistance from Bob Disbro.

SWIM TEAM

First Row: (left to right) John Wagner, Phillip Bordenkircher, John Buettner, Chester Tripplett, Dougles Fergusson. Second Row: Coach Carl Spessard, William Roush, Robert Feucht, James Fergusson, Robert Nicol, Coach Robert Cameron.

One of the most active numbers of the Athletic squads this year was our swim team. Coach Bob Camerson urged the boys to six straight wins; the boys then were defeated by St. Vincent. Then a superior and experienced Buchtel team was topped by ours and three teams tied for the Championship.

At Columbus, Ohio, John Buettner placed seventh in the state for the 100 yd. back stroke. The relay team was disqualified when Jack Wagner was hurt practicing tumble turns.

The team placed eighth in the district meet. Buettner placed fourth in the district with the 100 yd. back stroke and the 200 relay team placed fourth.

Bill Cobb - 11-A—34½ pts. out of 40 possible

Wrestling returned to C. F. H. S. this year with Clarence "Major" Hinkle at the helm.

The Tigers in returning to the wrestling wars after a five year lay-off did not have a successful season but as Coach Hinkle puts it "you cannot expect a successful season with green boys."

The Tigers won one match while dropping seven.

Bill Cobb, pint-sized junior, led the team with 34½ pts. out of a possible 40.

BASEBALL

First Row: (left to right) James Starcher, Mgr., Roy Emerson, Mgr. **Second Row:** Eugene Dominic, Jack Bernhart, Richard Gidley, Joe Denning, Gerald Hart, William Chaboudy. **Third Row:** Raymond Domonic, Glenn Smith, William Nostrand, Richard Oberdofer, Don Rexroad. **Fourth Row:** Coach Spessard, Bob Harrison, Duane Scott, Gerald Wolfe, Coach Hinkle.

The baseball team last year didn't get in the Playoffs. It tied for fourth place in the first round with Buchtel, each winning four and losing three. Buchtel got in the play-off by winning the flip of the coin. Falls in the second round won 5 and lost 2, ending the season in third place, behind Garfield and East.

Falls lost only three regulars last season, Eugene Dominic, Jack Bernhart and Bill Chaboudy.

Falls will have a new coach this year in Don Ripley. There is also talk of having a Reserve baseball team made up of Freshmen and Sophomores.

The team was led in batting by Eugene Dominic with .393 average and Don Rexroad with .363 average.

The Falls team also played together last summer and came in third in the State in American Legion Ball and should have a good chance to go somewhere this year.

GOLF

(Left to right)
Percy Grenfell, Al Mathews, John Lange, Charles Cooley, Charles Ruskin.

Once more the C. F. H. S. golf team brought back the Western Reserve Championship. This 1947 team, under the direction of Frank Anderson of the Falls Y, won 15 games, forfeited one to Buchtel, and tied Garfield.

★

TRACK TEAM

First Row: (left to right) Eugene McCullough, Jack Schumacher, James Liles, Kenny Filing, Fred Felton.

Second Row: Carl Fuerst, Robert Martin, John Griffith, Robert Budyck, Coach Juillerat.

Absent from the picture are: James Huston Charles Cooley, Richard Shoults.

Introduced to Falls High last spring, was a track team. It proved inspiring and successful in respect to setting ideals for the coming year, although the team was not successful in respect to winning track meets.

Carl Fuerst brought glory to C. F. H. S. by claiming third position in the state for the 440 yd. dash and earning a scholarship to Ohio State University.

★

TENNIS TEAM

Front Row: (left to right) Richard Shoults, Don "Shorty" Mitrovitch.

Back Row: Coach Watson, Ed Massic, Ronald Damerow, Jack DeBuvitz.

A little known athletic activity is the tennis team, coached by J. W. Watson.

Three veterans returned for the 1947 season. They are Jack DeBuvitz, Roland Damerow, and Dick Shoults.

VARSITY BASKETBALL

First Row: (left to right) George Walton, Coach Watson, Percy P. Grenfell. Second Row: John Hester, Robert Martin, Joseph Ware, Daniel Brady, John Cartwright, Donald Rexroad, Robert Harrison, Captain, Kyle Worrall.

The 1947-48 edition of the C. F. H. S. basketball team ended the season with the record of 8 and 9 Although this is not a too impressive record the Tigers wŏn 5 out of 6 Western Reserve League contests to become champs.

Coach Watson had an inexperienced team to work with and because of this the Bangels were both hot and cold. Lack of height was another one of the problems confronted by Coach Watson. Tallest member of his starting line-up was Jerry Wolfe at 6 ft. 1 in. and two other boys who hit 6 ft. were Bob Harrison and Joe Ware.

The Cagers tournament hopes were crushed by Wadsworth, who came out on top by the score of 40 to 38. Falls led throughout the greater part of the game but faltered in the second half and failed to regain the lead.

Credit should go to Coach Watson and his 1947-48 team for bringing another championship to Falls.

RESERVE BASKETBALL

First Row: (left to right) Angelo Minardi, Russell Thomas, D. B. Ripley, Robert Watkins, Mgr., Glenn Buss, Alan Smith. Second Row: Robert Warmuth, John Griffiths, Jack DeBuvitz, Dave Wright, Jack Schumacher, Richard Gidley, Bruce Truby, James Taylor.

The C. F. H. S. reserve basketball team showed the future opponents of the Tigers that they will have their hands full.

The reserves showing an exceeding smartness in play and experience breezed through their 16 game schedule winning 14 and dropping two.

This is a credit to the coaching ability of Don Ripley who led these boys, mostly freshmen and sophomores, to one of the most successful seasons ever enjoyed by a C. F. H. S. reserve squad.

SOPHOMORE BASKETBALL

First Row: upper (left to right) B. Montieth, J. Scafidi, H. Harmon, L. Graham, B. Anquillare. **Second Row:** Coach Juillerat, T. McCaslin, J. Kerr, R. Andrews, D. Stallard, B. Krantz, J. Orth, B. Botzum.

Sophomore basketball was inaugurated at C. F. H. S. this year for boys who were not quite good enough to play reserve ball.

The Junior Tigers were a credit to the school by winning five and losing five against the varsity squads of class B schools. They were coached by Louis Juillerat.

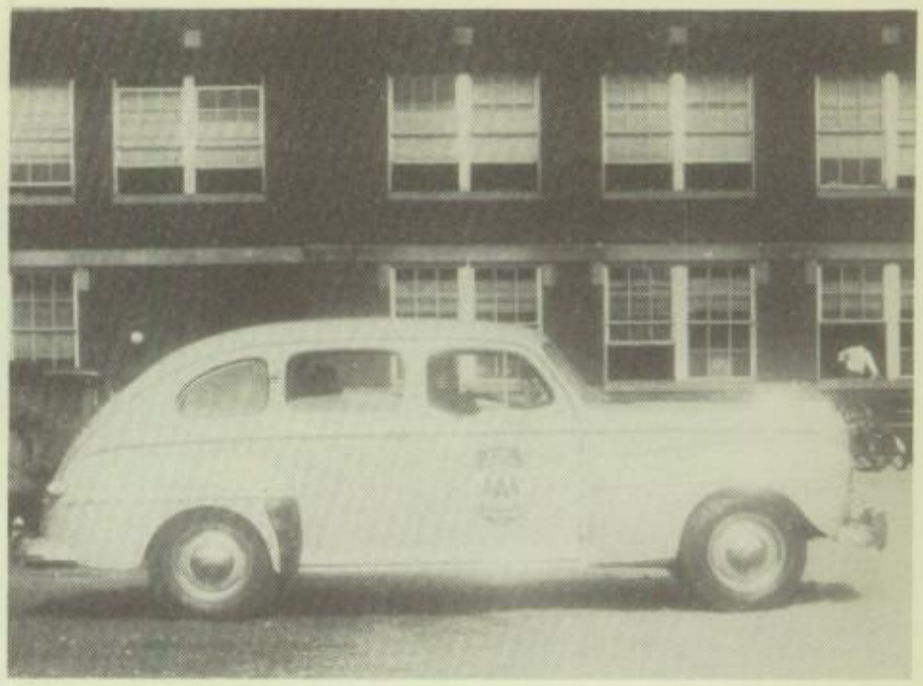
FRESHMAN BASKETBALL

First Row: lower (left to right) Coach Loughridge, John Straley, William Cropley, Donald Gschwind, Ronald Kearns, Donald Iacobacci, Robert Heyburn, James Steiner. **Second Row:** Robert Miller, Mgr., Frank Ostrander, Gordon Henninger, Harold Costill, Don Clark, Thomas Leach, Ronald Moncrief. **Third Row:** James Ruby, Richard Little, Emmett Housley, William Knipper, Frank Taylor.

The 1947-48 C. F. H. S. freshman basketball team had a record almost the same as the varsity in winning seven and losing seven. They showed a lot of promise and were progressing steadily at the end of the season under the able coaching of James Loughridge.

FEATURES

DRIVING COURSE



This year C. F. H. S. has added a driver's course to its curricula. This course, co-sponsored by the American Legion, the American Automobile Association, and various car manufacturers in co-operation with Louis B. Juillerat, endeavors to teach the students to be careful, efficient drivers. It consists of two hours a week spent in driving and the remaining hours in class work. To pass the course the student is required to take a rigid driving test, a depth perception test, visual acuity test, and a simple reaction test.

VISUAL EDUCATION DEPARTMENT

First Row: (left to right) Bill Cobb, Bill Parthe, Bob Johnstone, Ronnie Greenwood, Bob Simmons.
Second Row: Mr. Shank, Dave Bowers, Jerry Hurd, Dean Haney, Robert Runkle.
Third Row: Jerry Lowe, Alan Robinson, Jack Henry, Ralph McMillen, Donald Blundell.

The Visual Education Department at Falls High is composed of High School boys who are selected because they are doing above average school work, are trustworthy, and are interested in Visual Aids work. The staff is under the capable direction of Mr. E. L. Shank who also directs the grade schools' Visual Aids program.

The principal duty of the boys is to operate the movie projectors in the projection room where the teachers bring their classes to make use of the Visual Aids. During the football season the Department furnished sound equipment in Clifford Stadium and also supplied the music for several of the after game dances. On several occasions the Department has operated movie and sound equipment for various civic organizations. During the inclement winter weather of 1947 the boys on the Staff revived the noon movie program. It was so successful that this year it was enlarged and operated for a longer period of time.

New equipment recently obtained for the Department's use included 16 mm sound movie projectors, projection screens, strip film machines, a library of strip films, and two new speakers which were installed in the auditorium. These purchases gave the Department a huge boost in its ever expanding program.

THE HEALTH PROGRAM

A rather extensive health program has been carried on in the Cuyahoga Falls schools this year. For instance, several examinations have been given to students to locate or prevent diseases or defects. One examination, given by the nurse, Miss Maxine Carlin, was a check on the hearing of every student. A recheck is now being made on those students whose hearing seems to be defective. Also, eyes have been checked, especially in the grade schools, to find children who need glasses. In the examinations a few heart conditions have been located and cared for. In addition to the health check-ups, the program furnishes transportation to and from school to sick children. Calls are made by the nurse and doctor to homes where the children are sick and Dr. R. M. Brady visits each school in the Falls one hour a day, one day a week, thus covering the five schools once a week. Miss Carlin takes care of minor complaints or illnesses that occur during the day at school. A record of the health of each student is kept on file by this health department.

In addition to the work of the nurse and doctor, a body building class has been started by our new football coach, Don Greenwood. The class is open to all boys who wish to have healthier bodies and it aims to put them in better condition for sports, especially football. Another new health class that is being tried here for the first time is a social hygiene class taught by Dr. Eunice Carter. This class is for the girls of the Eleventh and Twelfth grades and is held once a week during study periods. The course consists of seven lectures about social and personal health problems.

FIRE DRILL

Clang-clang! Clang-clang! Clang-clang! Another fire drill! Out we go, quietly, quickly and orderly, to await the summons back to work.

GUIDANCE

The Guidance Department is an office just started in September 1947 and is under the direction of Mr. R. B. Heuser. The purpose of this department is to help all grade school pupils decide what course and subjects to take in High School. Any High School student may seek help about deciding upon a vocation that is best suited for him and determining what subjects he will need to take in High School and College.

The Guidance office, now in 306 at the High School, is to be located in the new building.

MANHOOD AND WOMANHOOD CUPS

Eligibility rules for the Pinkerton Manhood Cup and the Rowena Ross Womanhood Cup, as set down by a committee composed of Mr. DeWitt, Dr. and Mrs. Charles C. Pinkerton, and several of George Pinkerton's classmates (Jan. '47) are as follows:

1. A student must be active in sports or music.

2. A student must have been a member in good standing for two years in any two clubs.

3. A candidate must recognize his relation to God and his responsibility as a man or woman. He must satisfy this requirement by presenting evidence that he is a member of some organized church.

4. A candidate must give evidence of stability and responsibility by his conduct, attendance, and punctuality in school.

The candidate who fills the requisites given above and whose academic record is the highest will receive the honor of having his name engraved on the manhood or womanhood cup.

From the June '47 class, Don Eckert and Ruth Paul were given the honor. As the initial winners, they were the first to have their names inscribed on the cups.

The winners from the class of Jan. '48 are Ardis Burroughs and James Taylor.

Ardis Burroughs and James Taylor fulfilled the requirements for having their names engraved on the Manhood and Womanhood cups in January 1948.

To Ruth Paul, and Donald Eckert fell the honor of being the first to have their names engraved on the Manhood and Womanhood cups in June 1947.

We, the advisers and yearbook staff, wish to offer our sincere thanks and appreciation to the many people and organizations that have so greatly aided us in editing and making a success of the 1948 Cuyahogan. We would like to thank especially the M. O'Neil Company of Akron, C. A. Caperon, Jr., Mr. Roberts, Ardis Burroughs and Betty Adams for all the time and assistance they have given us in photography. We extend our deepest appreciation to Mr. DeWitt for his cooperation, advice and assistance in all the things we have requested of him, to the teachers and club advisers for their splendid assistance, and to the merchants and business men of the city for their generous contributions. Last, but definitely not least, we wish to express a feeling of sincere gratitude to the student body whose confidence, cooperation and financial backing has been a great and helpful factor in the preparation of the 1948 Cuyahogan.
